denis.mateas02@e-uvv.ro

Timisoara, Romania

SUMMARY

As a student pursuing a degree in Computer Science, I possess a strong foundation in programming languages such as Java, C++ and Python.

I have a background in computer systems and data structures & algorithms. I also have knowledge of database administration and web design, including HTML, CSS, and a bit of MySQL.

I see myself as a quick learner and adaptable to new technology. I am highly motivated and always seeking opportunities to expand my knowledge and skills.

EXPERIENCE

<https://github.com/02denis>

- Hotel Management System (C++)
- Restaurant Management (Java, OOP, database, Swing)
- GrillnBurgers (HTML, CSS, JavaScript, PHP - presentation / reservation website for restaurant)

SKILLS

- | | |
|----------------------------------|---------|
| • C++ | • HTML |
| • Java | • CSS |
| • Data Structures and Algorithms | • MySQL |

ACCOMPLISHMENTS

- Qualified at the National Information Technology Olympiad in 2019
- Mention at the Informatics Olympiad county phase 2019
- Qualified at the National Information Technology Olympiad in 2018
- Mention at the Informatics Olympiad county phase 2018

CERTIFICATIONS

- | | |
|---------------------------|--------------------------|
| • ECDL Word Processing | • ECDL Online Essentials |
| • ECDL Presentation | • ECDL Using Databases |
| • ECDL Computer Essential | • ECDL Spreadsheets |

EDUCATION

- **West University of Timisoara, 2021-ongoing**
Bachelor of Computer Science
- **"Moise Nicoara" National College Arad, 2017-2021**
High School Diploma, real profile - mathematics & informatics

LANGUAGES

- Romanian
- English
